

## General 811 Message

Protect your family and your property! Contact 811 before you dig!  
Don't be shocked by what's buried underground. Contact Texas811 two days before digging!  
It's fast, it's free and it's the LAW!

## Utility Markings

Curious about the paint and flags on the ground in your neighborhood?  
They show you where it is safe to dig to avoid hitting underground utilities, like gas.  
Visit [Texas811.org](http://Texas811.org) to learn more!

### **Respect the Markings**

Don't be shocked by what's buried underground.

Avoid the more than 7 million miles of buried pipes, wires and cables in Texas.
