

Texas811 Partnership Guidelines

The partners in this agreement are _____ and Texas811.

The purpose of the guidelines is to create an opportunity for the “partner” to measure their success of contribution efforts to Texas811 NSDM and for Texas811 to measure the partner's engagement efforts.

As part of the partnership guidelines, we ask that all partners participate in a survey at the end of NSDM. Results will be shared with partners.

We also ask that your organization give Texas811 (seven) 7 days’ notice should a change occur/cancellation in any activity that was finalized.

All Texas811 logo guidelines and usage can be found [HERE](#)

As a partner, Texas811 will share a toolkit with you shortly after receiving your Partner Form.

We ask that all questions and/or communications be sent to:

CommunicationsTeam@Texas811.org.

Thank you,

Texas811
